

HealthTracks®

ALL OF YOUR PRACTICE. ONE DIGITAL CENTER. POWERED BY ANTECH®

We are excited to introduce HealthTracks, our new digital platform. HealthTracks will provide all your diagnostic needs on one innovative and intuitive digital platform that's easily accessed from your Antech Online account. The new platform's features will be released in phases. The first phase will include the following:

HealthTracks Phase 1 Features

- Fast and easy add-on requests
- Enhanced viewing and trending results capabilities
- Request consultations whenever you need
- Quick access to Antech's Test Guide
- Easily print and/or email results
- A library of helpful tutorials

As we continue our phased HealthTracks launch, you will be able to access all the above features, and so much more, right at your fingertips — from anywhere

How to Access the New Website Experience

- Launch your Antech Online account
- Enter your current Antech Online username and password

Note: If you do not have credentials, or have forgotten them, please contact support@antechdiagnostics.com

- The new Healthtracks experience can be accessed by clicking the Launch button on the banner at the top of your Antech Online screen.

Tutorials

A library of helpful tutorials is available to help anyone at your practice. To access more of the features tips and tricks, including our contact information

1. Select **Help**
2. Select the **Customer Support Portal** dropdown menu
3. Select your desired topic

The screenshot shows the Antech Online interface. At the top, there is a search bar and navigation icons. Below the search bar, there are tabs for 'Results' and 'Test Guide'. A notification banner states 'New results are available. Click here to view all new results.' Below this, the 'Test Orders & Results' section is visible, featuring filter buttons for 'Last 3 Days', 'Patient', 'Doctor', and 'Owner', along with a 'Reset Filters' button. A dropdown menu is open, showing 'Contact Us/Help' and 'Customer Support Portal'. The main table displays a list of test orders with the following columns: Patient, Owner, Test, Dr. Name, Lab Release Date, and Status. The table contains 12 rows of data, with some rows marked as 'In Progress' or 'Partial'. At the bottom, there is a pagination control showing 'Action', 'Rows: 10', 'Jump to: 00', and a series of page numbers from 01 to 35.
