How to submit a consult (Study stored in PACS)

1. Log in to your account on <https://info.antechimaging.com> by entering your Username and Password and click “Sign In.”

2. Study Date range is defaulted to the last 7 days. You can change the “From Study Date” and “To Study Date” to your desired search dates. You can also search by any of the other boxes. Then click “Go” to show your studies.

3. Find the patient for which you want to send a consult request. Click the  icon or choose “Submit a Consult” from the Select Action drop-down list.

4. Ensure the patient information on the next page is correct and edit if needed. Fields marked with * are required. **Note:** Patient ID is the patient ID your hospital uses and will ensure previous/future studies are linked to that patient in our system. Select your desired specialty (ex: Radiology) then click “Submit” to go to the next page.

How to submit a consult (Study stored in PACS)

5. The next page is the Consultation Information screen, where you add Pertinent Case Information and Differential Diagnosis (both are required fields) and any Private Comments for the specialist. **Note:** the more information you provide the specialist, the more thorough and specific your report will be.

Pertinent Case Information	
<p>Pertinent history, physical exam findings, and relevant lab results. Providing a complete pertinent history will help the specialist provide you a quality report, all while providing the best care for your patient.</p>	
Maximum 1000 characters are allowed.	1000 characters left to go
Differential Diagnosis	
<p>Differential diagnosis: essentially a list of diseases/disorders that could be the cause of symptoms your patient is having. Providing differentials will help the specialist know and understand your concerns, again providing the best care for your patient.</p>	
Maximum 1000 characters are allowed.	1000 characters left to go
Specific question relating to this imaging study - Private Comments to the Specialist (These will NOT appear in the report)	
<p></p>	
Maximum 2000 characters are allowed	2000 characters left to go

6. **IMPORTANT:** after 20 minutes of inactivity, the system will display a 60 second warning for you to click continue before logging you out. When you log back in, the Consultation Information Screen will display where you left off.
7. At the bottom of the screen, click **“Submit with selected media”** when you are ready to submit.
